

# Simons Searchlight Registry Update SETBP1 Loss of Function

September 2021

Data in these four graphs are from the medical history phone interviews collected in Simons Searchlight on 16 participants with SETBP1.

## Ages in Years

## Developmental & Behavioral Diagnoses

## Neurological Problems

## Gastrointestinal Problems

Notes:

- Graphs show counts of individuals in each category. Individual participants may appear in more than one category if they report multiple conditions.
- Information on reported seizure types is included on the 2021 quarter 1 registry report available on [simonssearchlight.org/research/setbp1/](https://simonssearchlight.org/research/setbp1/).

## Participation & Registration

The information in this report is made possible by the active participation of the SETBP1 community! Progress for individuals in your community with a SETBP1 loss of function variant is shown below -- log in to your [simonssearchlight.org](https://simonssearchlight.org) dashboard today to check for new surveys and tasks. Your data could hold the clues geneticists need to find answers.
