

Simons Searchlight Registry Update **POGZ**

Data in these four graphs are from the medical history information collected in Simons Searchlight from 27 participants with POGZ-related syndrome (White-Sutton syndrome).

October 2025

Ages in Years

Developmental and Behavioral Conditions

Neurological Conditions

Gastrointestinal Conditions

NOTES: Graphs show counts of individuals in each category. Individual participants may appear in more than one category if they report multiple conditions. Graphs include individuals with pathogenic or likely pathogenic variants, and without additional variants.

How to participate?

The information in this report is made possible by the active participation of the POGZ community! Progress for individuals in your community with POGZ is shown below - log in to your simonssearchlight.org dashboard today to check for new surveys and tasks. Your data could hold the clues geneticists need to find answers.

STEP 1

Sign up online

57

STEP 2

Provide your genetic lab report

43

STEP 3

Share your important medical history

35

STEP 4

Fill out surveys

36

STEP 5

Provide a blood sample if you are interested

17

STEP 6

Update us every year
