

# Simons Searchlight Registry Update POGZ

Data in these four graphs are from the medical history information collected in Simons Searchlight from 32 participants with POGZ-related syndrome (White-Sutton syndrome).

April 2026

## Ages in Years

## Developmental and Behavioral Conditions

## Neurological Conditions

## Gastrointestinal Conditions

NOTES: Graphs show counts of individuals in each category. Individual participants may appear in more than one category if they report multiple conditions. Graphs include individuals with pathogenic or likely pathogenic variants, and without additional variants.

## How to participate?

The information in this report is made possible by the active participation of the POGZ community! Progress for individuals in your community with POGZ is shown below - log in to your [simonssearchlight.org](https://simonssearchlight.org) dashboard today to check for new surveys and tasks. Your data could hold the clues geneticists need to find answers.
