

Simons Searchlight Registry Update CTBP1

Data in these four graphs are from the medical history information collected in Simons Searchlight from 14 participants with CTBP1 (HADDTS).

July 2026

NOTES: Graphs show counts of individuals in each category. Individual participants may appear in more than one category if they report multiple conditions. Graphs include only individuals with pathogenic or likely pathogenic variants, and without additional variants.

How to participate?

The information in this report is made possible by the active participation of the CTBP1 community! Progress for individuals in your community with CTBP1 is shown below - log in to your simonssearchlight.org dashboard today to check for new surveys and tasks. Your data could hold the clues geneticists need to find answers.
